

# Medically Ill/Dually Diagnosed & Counseling Services

MARCH 2016

---

## **North Jersey Community Research Initiative**

For treatment of HIV negative clients, many of whom are also homeless or LGBTQ, and for whom there is no federal funding (\$138,000 over two years).

JUNE 2016

---

## **Center for Hearing and Communication**

Towards the enlargement of the pediatric psychological and psychiatric program for children who are deaf or hard of hearing and for hearing children of deaf parents (\$50,000 over two years).

NOVEMBER 2016

---

## **Jericho Project**

To support a new Healthcare Coordinator to provide baseline education on diseases and illnesses to tenants, case managers, program directors, and other staff at seven supportive housing facilities (\$150,000 over two years).

## **Joseph J. Peters Institute**

For support of a part-time, licensed, clinical trauma-focused therapist and part-time case manager to provide services to public housing residents in Philadelphia (\$100,000 over two years).

## **Lenox Hill Neighborhood House**

For support of free legal services, benefits access assistance, mental health services, and health and wellness counseling to hundreds of low-income East Harlem residents at a new multi-agency care center (\$100,000 over two years).

## **Therapy Center of Philadelphia**

For support to help close the mental health service gap for low-income working women and trans clients in Philadelphia (\$90,000 over two years).

NOVEMBER 2017

---

## **Family & Community Service of Delaware County**

To hire a part-time psychiatrist and expand mental health services for dually diagnosed, HIV+ clients (\$100,000 over two years).
